OHIO QM CONSORTIUM

PROFESSIONAL DEVELOPMENT
- Institutions can offer APPQMR and IYOC workshops for cost of materials
- Members can take APPQMR and IYOC facilitator training for free
- Members can take Peer and Master Reviewer training for free
- Master Reviewers can be recertified for free
- Access to monthly Ohio QM Coordinator Meetings

ANNUAL MEMBER MEETING
- Our annual meeting where we discuss consortium initiatives
- Presentations from across the state on a wide variety of topics
- Free for all consortium members to attend
- Provides a wonderful networking opportunity to our members

RECOGNITION
- Courses that meet standards are announced to the consortium
- Members that complete reviewer training are announced
- Nominations for Outstanding Course Design for our annual meeting

MENTORING
- Institutions that join the consortium are assigned to a mentor
- Each region of our state ($total) has mentors assigned to assist new members
- Assist with the implementation plan for member institutions
- Provides a local point of contact to lend advice

COMMUNITY
- Access to our online discussion forums
- Advice on best practices in online course design
- Assistance with how to interpret different review standards

INCENTIVIZING REVIEWERS & CERTIFICATION
In order to incentivize members to become peer/master reviewers and facilitators, the consortium will pay for the training fees in exchange for their service to the consortium.

- APPQMR FACILITATOR
  The consortium pays the $500 training fee. In exchange, the facilitator must conduct at least 4 face-to-face APPQMR workshops at institutions other than their home institution within 2 years.

- IYOC FACILITATOR
  The consortium pays the $200 training fee. In exchange, the facilitator must conduct at least 2 face-to-face IYOC workshops at institutions other than their home institution within 2 years.

- PEER REVIEWER CERTIFICATION
  The consortium pays the $200 training fee. In exchange, the reviewer must serve on at least 1 QM review in the bartering system within one year.

- MASTER REVIEWER CERTIFICATION
  The consortium pays the $300 ($50 for recert) training fee. In exchange, the reviewer must chair at least 1 QM review in the bartering system within one year.
